Agreements With other Govts

Subject:- National Highways.

In connection with the recent agreement entered into with the Govt of India, in the matter of "winding" financial arrangements with the States, certain items of Revenue and expenditure from part of the Federal List of Subjects. 'National Highways' is one of such subjects to be taken over by the Central Govt with effect from 1-4-1950. As a result of the recent agreement entered into with the Govt of India, 300 miles of road in the State do come (under
